BUILT WITH PASSION:

The MAXI Range is built at our factory on the Mornington Peninsula. You can rest easy knowing that this high-quality Australian-made product won't let you or your clients down.

IMPORTANT INFORMATION:

"Trisled" is a registered Trademark in Australia owned by Ben's Big Ideas Pty Ltd. © 2012 Ben's Big Ideas Pty Ltd trading as Trisled. All rights reserved.

Taking the traditional rickshaw concept to its most practical end, MAXI Taxi is a modern take on an age-old transport solution.

This pedicab carries two adult passengers in a comfortable and roomy carriage and features a lift-up seat for convenient luggage stowage.

MAXI Taxi can be easily adapted to carry advertising billboards or signs on all areas of the aluminium carriage.

Trisled's front-end drive steering geometry makes this rickshaw one of the most manoeuvrable on the market, allowing riders to navigate tight spaces and city streets. Trisled rickshaws are also available for hire. Visit www.trisled.com.au for more info.

MAXI Taxi is part of Trisled's MAXI load-carrying range. The MAXI front end can transform into at least five different load carrying vehicles in a few easy steps, giving you flexibility and choice.

So if your life or business changes, MAXI can change with you.
